U.S. Ambassador Kristie A. Kenney gives a copy of the Al Khalifa Resource Book to an ulama (Muslim religious leader) who attended the signing ceremony awarding a United States Agency for International Development (USAID) grant to Mindanao State University to improve the waste management facilities of the Masjid Hidayah Mosque located on campus. The assistance is part of USAID support to Marawi City's Solid Waste Management Plan, which also includes the public market and government offices. Ambassador Kenney remarked that the project highlighted the important role of religion in protecting the environment, as she praised local religious leaders for their efforts in this regard. (GEM)
